School bus</p>                                                                                                                                                                                                                                                                                                                                                       | <input type="text"/> |
| <p>35. Other passive transportation (e.g., by car, public transport)</p>                                                                                                                                                                                                                                                                                                    | <input type="text"/> |
| <p>36. Active transportation (e.g., walking, cycling, biking)</p>                                                                                                                                                                                                                                                                                                           | <input type="text"/> |
| <p><b>F. Does your school promote active transportation* to and from school in any form of the following ways? Active transportation means that students are physically active during their commute (e.g., walking, cycling, or skateboarding)</b><br/>         Use the following rating scale:<br/> <i>Yes=1; No=2; Don't know=3</i></p>                                   |                      |
| <p>37. Identify safe routes to use for walking and cycling to and from school (e.g., with signs, in newsletters etc.)</p>                                                                                                                                                                                                                                                   | <input type="text"/> |
| <p>38. Provide crossing guards at intersection to encourage safe walk-to-school routes</p>                                                                                                                                                                                                                                                                                  | <input type="text"/> |
| <p>39. Designate a "car zone" to provide safe walking areas around the school</p>                                                                                                                                                                                                                                                                                           | <input type="text"/> |
| <p>40. Allow students to bring bicycle on school property</p>                                                                                                                                                                                                                                                                                                               | <input type="text"/> |
| <p>41. Allow students to bring two-wheel vehicles (e.g., bike) or car on school property</p>                                                                                                                                                                                                                                                                                | <input type="text"/> |
| <p>42. Encourage the use of helmets or safety gear for those who use bicycles and small wheel vehicles to get to school</p>                                                                                                                                                                                                                                                 | <input type="text"/> |
| <p>43. Other (please describe)<br/>         .....</p>                                                                                                                                                                                                                                                                                                                       | <input type="text"/> |
| <p><b>Instruction and programs</b></p>                                                                                                                                                                                                                                                                                                                                      |                      |
| <p>44. Which statement best describes how daily physical activity* is implemented at your school? Daily physical activity ensures that all students with special needs have a minimum of 20 minutes of sustained moderate to vigorous physical activity each school day during instructional time. (Tick any one of the 4 below given statements)</p>                       |                      |

|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|
| i. Daily physical activity is a part of the daily scheduled health and physical education classes.                                                                                                                                                                                                                                                                           | <input type="text"/> |
| ii. Daily physical activity is implemented during other instructional time on days when there are no scheduled health and physical education classes.                                                                                                                                                                                                                        | <input type="text"/> |
| iii. Daily physical activity is implemented during other instructional time in addition to the daily scheduled health and physical education classes.                                                                                                                                                                                                                        | <input type="text"/> |
| iv. Our school is unable to offer at least 20 minutes of physical activity every day.                                                                                                                                                                                                                                                                                        | <input type="text"/> |
| v. Other (please describe)<br>.....                                                                                                                                                                                                                                                                                                                                          | <input type="text"/> |
| 45. Please indicate the number of teachers at your school who teach health and physical education to their classes at the kindergarten/primary/junior level                                                                                                                                                                                                                  | <input type="text"/> |
| 46. Among those who teach health and physical education to their classes at the kindergarten/primary/junior level, how many have completed any additional physical education training                                                                                                                                                                                        | <input type="text"/> |
| 47. Does your school offer intramural programs* that involve physical activity?<br>(*Intramural programs are school physical/recreational sponsored activities that occur outside of instructional time, are available to all students, are focused on maximizing participation and are limited to individuals/groups/teams of the school population.)<br><b>Yes=1; No=2</b> | <input type="text"/> |
| 48. During the past 12 months, <b>how many</b> intramural programs that involve activity were available to student over the course of the school year?                                                                                                                                                                                                                       | <input type="text"/> |
| 49. On average, how many <b>days per week</b> would a typical student have the option to participate in intramural programs that involve physical activity?                                                                                                                                                                                                                  | <input type="text"/> |
| 50. To the best of your knowledge, what <b>percentage</b> of students at your school in intramural programs that involve physical activity?                                                                                                                                                                                                                                  |                      |
| 50.1. Girls                                                                                                                                                                                                                                                                                                                                                                  | <input type="text"/> |
| 50.2. Boys                                                                                                                                                                                                                                                                                                                                                                   | <input type="text"/> |
| 51. Does your school offer interschool programs*/tournaments that involve physical activity?<br>(*Interschool programs are board/school sponsored competitive athletic programs that occur outside of instructional time, are available to select individuals/groups and are competitive against other school)<br><b>Yes=1; No=2</b>                                         | <input type="text"/> |
| 52. During the past 12 months, how many interschool programs that was available to student over the course of the school year?                                                                                                                                                                                                                                               | <input type="text"/> |
